

Update: Ongoing works at Willesden Euroterminal

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19.

Hoarding replacement works along Stephenson Street

We wrote to you in January about works to replace the hoarding along the Stephenson Street. The works are needed to ensure that the hoarding is fit for purpose while we continue works on site.

These works were planned to be completed by the 4 March 2022. Unfortunately, due to recent severe weather and supply of resource these works will take an additional two weeks. We expect the works to be completed by the 18 March 2022.

We apologise for any disruption during these works. Our team will continue to use noise barriers along Stephenson Street during these works to minimise noise disruption to you.

Outdoors community pop ups near site entrance

As part of our gradual return to face-to-face engagement our engagement team planned a pop-up event on 1 March nearby the entrance to the Willesden Euroterminal site on Channel Gate Road. Unfortunately, due to the unforeseen transport industrial action our local engagement team were unable to travel to your local area, therefore we decided to postpone this engagement activity. Our local engagement team will now be in your local area on 10 March 2022 between 12pm to 1:30pm. A map showing where you can find our local engagement team will be standing is on the following page.

Our local engagement team will be observing social distancing and may choose to wear facemasks during this outdoors engagement. We kindly ask that you do not attend the pop-ups if you have tested positive or have COVID-19 symptoms.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
