

Overnight road closures on Victoria Road

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more.

Overnight road closures on Victoria Road to install conveyor crossings

Works are continuing to construct the conveyor system between our sites in the Old Oak and Park Royal area to allow for the movement of excavated material between sites. The conveyor system will help reduce the construction traffic on the local roads while we build HS2.

We will be installing two enclosed conveyor crossings over Victoria Road between our Victoria Road Crossover Box and Flat Iron sites. These works will require the use of a 300-tonne mobile crane to lift the segments into position over the road.

To install the conveyor crossings safely, Victoria Road will be closed to vehicles overnight from **10pm on Friday 15 April to 6am on Saturday 16 April**. There will be lighting in place to support the works - these will be directed away from residential properties. A map showing the location of the road closure and diversion route is included on the next page.

If the conveyor crossing cannot be installed on this weekend due to unforeseen circumstances such as weather, a contingency booking with the local authority has been scheduled for the following weekend (Saturday 23rd to Sunday 24th April) – the working times are the same (10pm to 6am). If this contingency is to be utilised, we will reschedule the works and inform you in advance.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Overnight on Friday 15 April from 10pm to 6am with a contingency the following weekend

We may be on site for an hour before the start and/or end of the shift

What to expect

Full road closure on Victoria Road between School Road and the Boden building

Full footpath closure on Victoria Road between School Road and the Boden building during the lifting operations

Vehicle and pedestrian diversions will be in place

You may notice some additional noise and light during installation of the crossings

What we will do

Advise our staff to be considerate of our neighbours during the works

Overnight road closures on Victoria Road

Notification

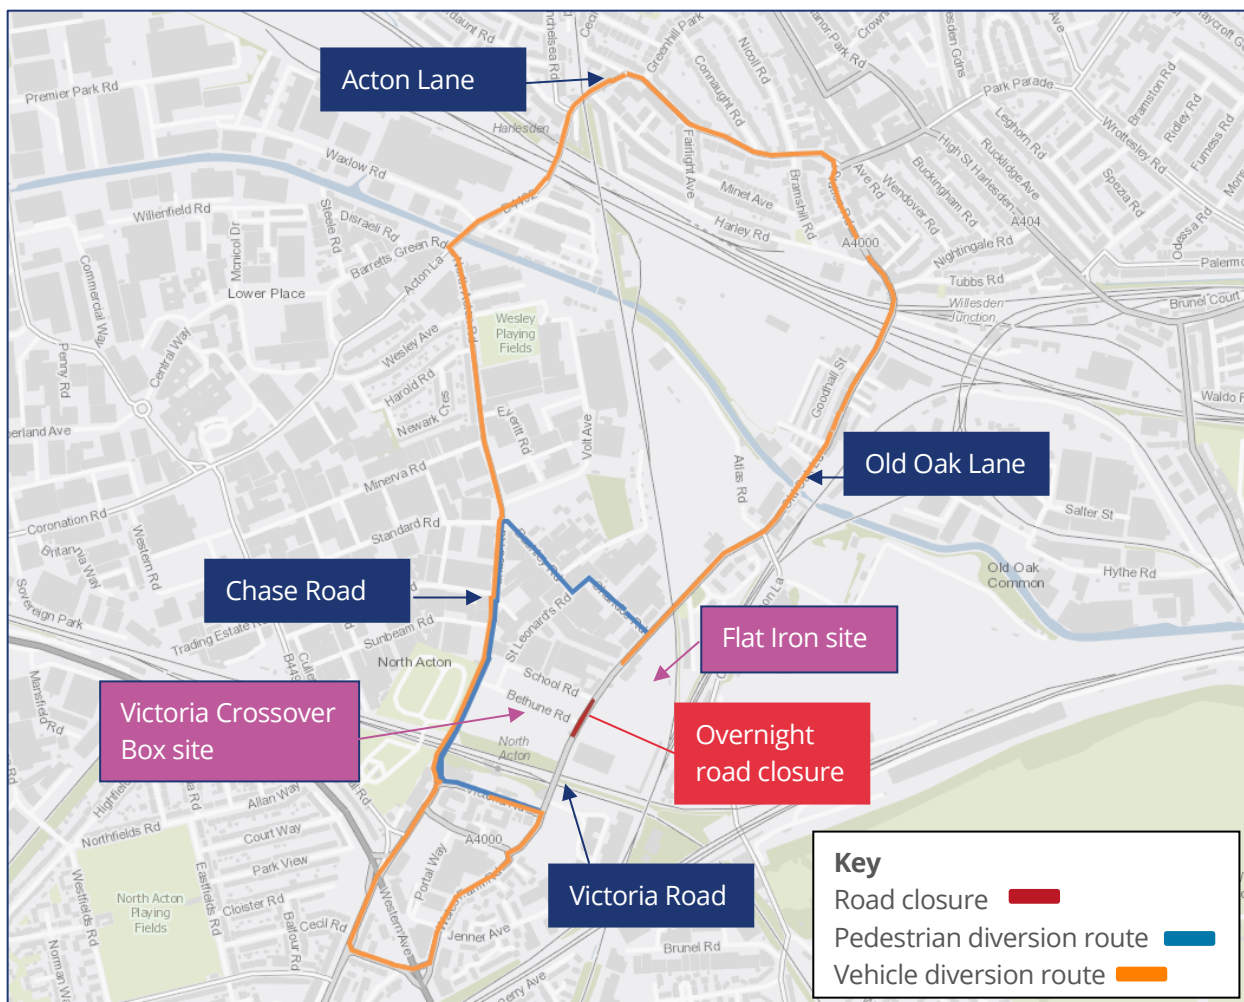

www.hs2.org.uk

Temporary Road changes during the installation

During these works a full road closure will be in place on Victoria Road between School Road and the Boden building. Access to Boden will be maintained during these works.

A vehicle and pedestrian diversion will be clearly signed. A map of the diversions is shown below.

During the works, we will lift the two conveyor crossings into place. Each lift will last up to one hour. For safety reasons during the lifting operations, there will be no pedestrian access on Victoria Road between School Road and the Boden building. We will also have traffic marshals in the area to assist pedestrians.

Contact our HS2 Helpdesk team on **08081 434 434**

What to expect

During these works you may notice the following:

- The works will take place overnight
- Staff will be on site throughout the works
- We will be using a 300-tonne mobile crane during the works – you will be able to see the crane lifting the conveyor crossing into place
- Due to the works taking place during overnight working hours, we will have additional lighting in place. We will direct these away from residential properties as much as possible
- You may notice some noise during the installation of the conveyor crossing. We will do all we can to minimise this.

We apologise in advance for any disruption you experience during these works.

Speak with your local engagement team

You can contact our local engagement team via the HS2 Helpdesk. We are also available to speak with you at monthly virtual one to ones in Old Oak and Park Royal on the following dates:

- Wednesday 27 April, 3pm to 6pm
- Wednesday 25 May, 3pm to 6pm

To register for the next drop-in, please visit www.hs2.org.uk/events/

If you are not able to attend the above virtual 1:1s please contact our local engagement team via the Helpdesk. We are happy to arrange a 1:1 with you at another time.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:

www.hs2.org.uk/in-your-area/contact-us/how-to-complain/

Contact us

Contact our HS2 Helpdesk team all day, every day of the year on:
