

Notice of road closure, Station Road, Quainton

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at engagement.hs2.org.uk/join-mailing-list/.

What are we doing?

As part of our continued preparatory works, we will be closing a section of Station Road for approximately one week.

We will be carrying out Ground Investigation (GI) works along Station Road between the entrance to Buckinghamshire Railway Centre and the crossroads. Our GI works will involve surveys and trial holes which will allow for the accurate detection and identification of existing services and utilities.

This will be a 24-7 full road closure as our engineers will be working directly on the road.

When will these works take place?

Station Road will be fully closed, 24 hours a day, from Monday 21 March 2022 to Saturday 26 March 2022, with a diversion in place. We will work to open the roads to reduce disruption as soon as possible.

Some additional weekend work may also take place.

Due to circumstances outside of our control, such as weather, these dates may be subject to change.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
