

Utility works in Breakspear Road South, Hillingdon

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are building a new 3.4km viaduct across a series of lakes and waterways in the Colne Valley. Works on the permanent structures for the new railway are well underway, and this notification provides information on some works forthcoming works happening near you which will be undertaken by Scottish & Southern Electricity Networks (SEN) on our behalf.

What works are taking place?

In order to construct the railway, we need to supply electricity to our compounds and work sites. In order to complete the cable connection works that are currently underway at Copthall Road West we need to install a larger high voltage cable from Copthall Road West across Breakspear Road South to connect with the existing substation.

We expect these works to begin on Saturday 2 April 2022 and they will last until Thursday 14 April 2022. We will return to resurface the carriageway at a later date and will provide advanced notice of any resurfacing works as soon as a date has been confirmed.

Any Public Rights of Way will be maintained wherever possible. While works are taking place access will be managed by on site staff with signage and traffic marshalling for pedestrians.

Advance warning signage and traffic management will be put in place prior to the works taking place.

Please note works are 'subject to change'. We aim to meet our planned working dates, but these can change due to the impact of the weather or programme changes. We will do all we can to keep you updated.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Work will be undertaken from: 2 April 2022 – 14 April 2022

Welfare facilities provided by a mobile unit

What we will do

Inform you of any changes

Manage any environmental impacts such as traffic and noise, reducing them wherever possible

Utility works in Breakspear Road South, Hillingdon

Notification

www.hs2.org.uk

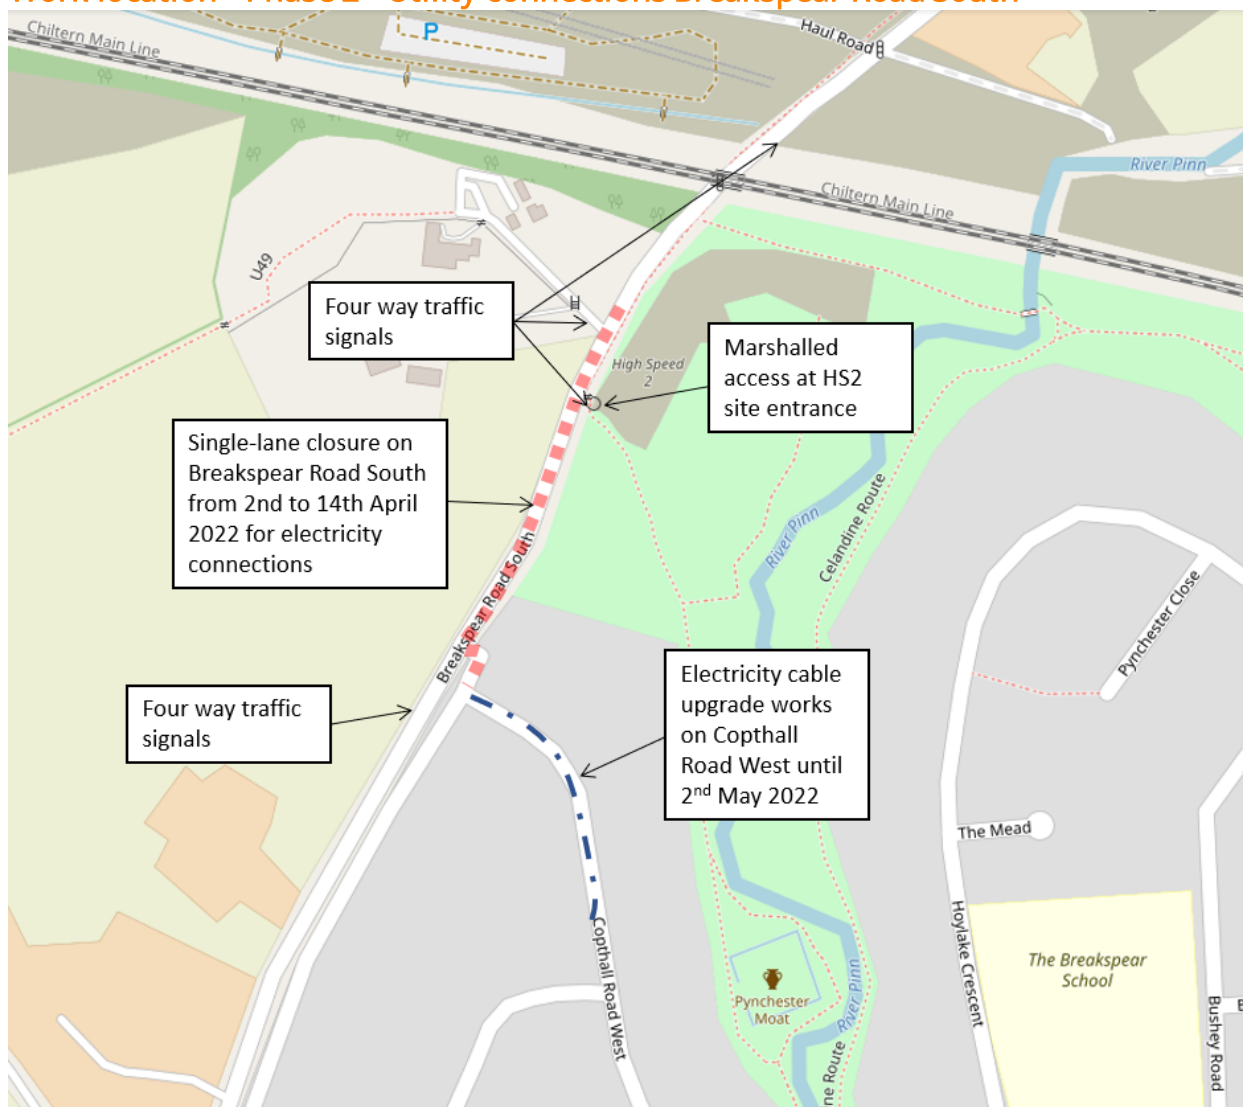

How may this affect you?

Our works on Breakspear Road South will require a temporary lane closure as the works will take place in the carriageway. Traffic management will be in place and access for residents, deliveries and the emergency services will be maintained at all times.

There will also be signing and guarding of works and a footpath diversion where necessary. There may be some delays to through traffic using Breakspear Road during the works, however, the works have been scheduled to take place during the school holidays to take advantage of the reduced traffic on the road. There will be some noise associated with these works, due to excavation and vehicle movements but we expect this to be of limited duration.

We do not anticipate any interruption to your electricity supply.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
