

## Notice of sewer works

March 2022 [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

### What are we doing

Severn Trent has been asked to carry out a number of trial holes on an industrial estate off the Lichfield Rd (A446) of a sewer that is currently located in the way of the proposed HS2 railway line.

The work will take 5 days and is scheduled between 4 April 2022 and 29 April 2022.

The area our Contractors will be working along is shown on the plan **overleaf**.

Severn Trent has a responsibility for delivering water and sewerage services to homes and businesses across the region and to ensure the impact of any work is kept to a minimum.

### How will this impact you

We can confirm that the works will not block anyone's access onto their property, or impact on any local businesses in the area.

There will be no impact on your water or sewerage services.

### HS2 during the coronavirus pandemic

We are continually reviewing the work on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue if it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434  
or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)

## Notification

### Duration

- Work will take place between Monday 4 April 2022 and Friday 29 April 2022
- Our core working hours will be 8.00am to 6.00pm Monday to Friday
- We may be on-site one hour either side of these times for set-up and close-down

### What to expect

- Severn Trent are carrying out a number of trial holes on an industrial estate off Lichfield Rd to determine the location of a sewer that serves the area.

### What we will do

- If you are directly impacted by the work, Severn Trent will speak with you before it begins to ensure access is not impacted
- At no time will your water or sewer services be interrupted. We will complete the work as quickly as possible to avoid disruption and provide you access throughout.

### About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

### About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

## Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

### Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

### Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

### Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
