Notice of temporary daytime traffic lights on Diddington Lane, Hampton-in-Arden

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Temporary daytime traffic lights

In order to prepare for the future construction of the railway, we will be carrying out roadside landscaping alongside Diddington Lane. In order to conduct this work safely, we need to temporarily install traffic lights along a section of this road and an accompanying single lane closure which would alternate between the northbound and southbound. Our teams will be working between **8.00am** and **6.00pm** from **Saturday 12th March** until **Sunday 20th March**. The temporary lights will be deployed Monday to Friday between **9.30am** and **3.30pm** and on weekends between **9.00am** and **4.00pm**.

Access to properties and businesses will be maintained and you will still be able to travel along Diddington Lane in both directions. Please see the map overleaf for more information.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

From Saturday 12th March to Sunday 20th March. Working hours are between 8.00am and 6.00pm.

Temporary lights will be deployed Monday to Friday between 9.30am and 3.30pm and between 9.00am and 4.00pm on weekends.

Please note that all of the times in this notification are subject to change.

What to expect

Temporary traffic lights along Diddington Lane.

You will still be able to travel along Diddington Lane in both directions.

What we will do

Keep all sites safe and secure, while keeping disruption to a minimum.

Ensure all traffic management is clearly signed.

HS2's interactive works map

We have introduced a new, user-friendly interactive map to the HS2 website, making it easier and simpler for you to find out what current and upcoming works we are carrying out in your area.

The new map brings all of our work notifications together on one webpage, making it easier for you to navigate and ensure you are kept up to date on the work we are doing to deliver the new railway. There is also a text only view, which allows you to view the information in a table and filter results for each area.

Each work item, highlighted on the map with a 'hard hat' icon, lets you know:

- the location and planned duration of the works
- which contractor is delivering it
- what kind of activity they are doing, such as setting up a compound or an archaeological dig

To access the map, please visit: www.hs2.org.uk/in-your-area/map

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses across Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
