

Notice of overnight traffic management on M42 M6 link road westbound and the M42 near Water Orton

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue our works on the M42 M6 link road Viaduct, we will need to change our existing traffic management to move live traffic from the hard shoulder to lane 2. As well as this, to assist our design of the future HS2 railway, we need to carry out surveys on the M42, near Water Orton.

We'll be starting work on Monday 11 April

Subject to obtaining the relevant consents, and in order to complete both of these works safely, we will install temporary traffic management on the M42 M6 link road westbound and the M42 northbound and southbound.

- Overnight full closure of M42 M6 link road westbound from Monday 11 April until Wednesday 13 April **(See map on page 2)**
- Overnight single lane or hard shoulder closures on the M42 from Monday 11 April until Thursday 14 April, northbound and southbound. **(See map on page 3)**
- **Our overnight working hours will be from 9.00pm until 5.00am each evening.**

Keeping you informed

This schedule is subject to change depending on site and weather conditions, obtaining the relevant consents and evolving measures to combat coronavirus. We'll keep you informed of any adjustments at: www.hs2inwarwickshire.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
