

# Notice of overnight road closures update, A413 London Road

May 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inbucksandbox.co.uk](http://www.hs2inbucksandbox.co.uk).

## What are we doing?

In June, as part of the installation of our conveyor, we will be preparing the ground around the verge of the A413 London Road and installing safety barriers to protect the conveyor.

We will also be lifting a temporary bridge into place over the A413 London Road. This bridge will form a vital part of the conveyor, enabling excavated materials to travel over the A413 as opposed to using the local road network.

During our recent CCTV drainage works we uncovered a blockage in the local drain network, along the A413. In our June closure we will be taking the opportunity to clear this blockage, before undertaking further CCTV works to ensure there are no further issues. This work will improve the drainage in the local area.

We will have team members, large construction machinery and cranes on the A413 carriageway which is why these works will require a full closure.

## When will these works take place?

The A413 London Road overnight closures will take place as follows:

- Wednesday 8 June and Thursday 9 June – 8pm to 6am
- Tuesday 14 June to Thursday 16 June – 8pm to 6am

Should there be delays to our works for reasons beyond our control, these dates may be subject to change.

We will continue to maintain regular contact with blue light services to keep them updated on our activities.

## Duration of works

The A413 will be closed overnight:

8 and 9 June 2022.

14, 15, 16 June 2022.

Overnight working hours:

Monday to Friday

8.00pm – 6.00am

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

## What to expect

Overnight full road closures of the A413 in June.

Noise from plant and equipment used for the works.

## What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
