

Notice of public right of way temporary closure, Basford

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty and its appointed subcontractors are working on behalf of HS2 Ltd to carry out Early Environmental works between Lichfield and Crewe.

What we are doing

We are temporarily closing two public rights of way that cross the land to the west of Casey Lane, just to the north of Casey Lane Stables for two weeks. This is so we can safely trim back the existing vegetation and put up fencing.

The public right of way, which goes west to east from Casey Lane to Mere Road will be temporarily closed from the point where it crosses the public right of way to Newcastle Road.

During the closure, there will be no access to Casey Lane from either footpath. There will also be a temporary diversion east to west of the public right of way so that we can carry out our initial works.

This work is the start of our work to create a broadleaf woodland habitat. This woodland is to act as a wildlife corridor between the existing woodland. In addition to the woodland planting, we shall be erecting bird and bat boxes.

Once we fence off the area, we will begin work to dig some archaeological trial pits.

When the work will take place

We will start the work on 4 April. We will begin the work to create the woodland habitat once we have carried out the archaeological work. This will be ongoing throughout the year.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Monday 4 April to 15 April

Please note that the time and date in this notification **may** be subject to change.

What we will do

Carry out the work in compliance with the Code of Construction Practice

Inform you in advance of any changes to the dates and working times shown

What to expect

Temporary closure and diversion of footpaths as shown on map below

Fencing and hedge cutting works

Site storage and welfare vehicles

Notice of public right of way temporary closure, Basford

Notification

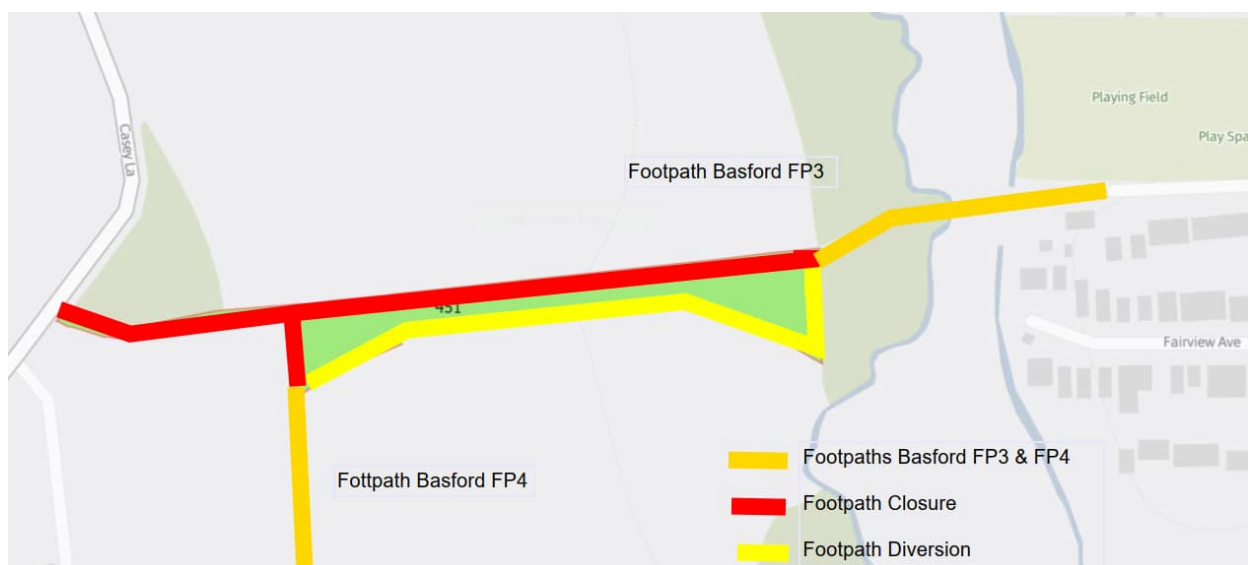

www.hs2.org.uk

What to expect

To carry out the hedge cutting works we shall be using hedge trimmers and chipping machines which will generate some low-level noise. The driving of the fence posts shall be carried out by machine which will also generate some noise.

We will be working during the day to minimise disruption to local residents, and we will use the current farm access off Casey Lane to bring the machinery on the land, you may notice some queuing on the local road while we do this. The map below shows where we will be working.

Covid-19

We are working in line with Government and Public Health England (PHE) advice on working safely during the pandemic. For all events and engagement, we will carry out a risk assessment and put in place control measures to manage the risk of Covid-19 to the public and our staff. If you have any questions about this, please contact our Helpdesk at find out more. The health and safety of our workforce and communities we affect is our key priority.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

Two funds are now open for applications from local communities and businesses affected by the construction of HS2. They are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). £5 million has been allocated to the funds for phase 2a of the railway.

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
