

Notice of works, Calvert Green area

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

What are we doing?

In early April, we will be disassembling the old Calvert railway station machinery. These works are expected to take two days to complete.

Due to the nature of these works, there may be some loud bangs when we are taking down the old cranes so please do not be alarmed.

To reduce disruption as much as possible we will be completing these works in two days. We respect that noise generated by our activities may cause some interruptions throughout your day. If you have concerns, you can contact our HS2 Helpdesk at any time for more information.

When will these works take place?

Our works to take down the old Calvert Railway Station machinery will take place between 8.00am and 6.00pm on Saturday 9 April and Sunday 10 April 2022.

We are hoping to complete these works on these dates, however this may change due to factors outside of our control such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434

Duration of works

Works will commence Saturday 9 April and Sunday 10 April 2022

Working hours:
Saturday and Sunday
8:00am – 6:00pm

What to expect

Varied activities with both quiet and busier periods.

Some noise and loud bangs while the old Calvert railway station is disassembled.

What we will do

Take care to respect your community and the environment.

Monitor noise and vibration during our works.

Respond promptly to any complaints and take appropriate action.

Notice of works, Calvert Green area

Notification

How will HS2 monitor noise and vibrations?

We continue to be in communication with Environmental Health regarding noise and vibration while we build HS2. If you have concerns, you can contact our HS2 Helpdesk at any time for more information.

How will HS2 deal with dust?

We implement a best practice dust management mitigation protocol through demolitions, earthworks, construction and movement of spoil away from sites. When we take down the old Calvert railway station machinery, we will have large areas of padding that have been sprayed with water to help mitigate any dust that may be produced when the structure is taken down.

Where will these works take place?

The image below shows the area where we will be working.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
