

Notice of works, Oatleys Road, Turweston

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

What are we doing?

During our main construction works, we will be using internal haul and access roads for our construction traffic, reducing the amount of construction traffic on the local highways.

Where our internal haul and access roads meet the local highway, we will have plant crossing points. At our plant crossing point along Oatleys Road, we need to create a strengthened road surface using concrete. This is to ensure that we protect the road and any utilities underneath it for the duration of our works while we construct HS2.

To reduce disruption as much as possible, we will be keeping Oatleys Road open for the duration of these works. Access will be maintained even when the concrete is setting.

Due to the location of the crossing, we will need to access Oatleys Road via South Bank in Turweston. These deliveries will be taking place between normal core working hours, Monday to Saturday. We expect work to be completed in one week.

Dates for our works may be subject to change due to circumstances outside of our control, such as weather that may affect the setting of the concrete.

When will these works take place?

The crossing slab will be installed in late March 2022. Work will take approximately one week though exact dates may change due to weather constraints, we will keep local residents informed.

Works are expected to take place between 8am and 6pm – Monday to Friday and between 8am and 1pm on Saturday.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434

Duration of works

Works will commence Late March 2022 and expected to last for one week.

Normal working hours:

Monday to Friday

8.00am – 6.00pm

Saturdays

8.00am – 1.00pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Varied activities with both quiet and busier periods.

Construction traffic will travel via South Bank.

Noise from plant and equipment used for the works.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

What do plant crossing areas look like?

The image below is an example of a generic plant crossing area.

This gives an idea of how traffic lights and barriers will be used at our crossings. The traffic lights will only be activated during our operating hours and will ensure safe, controlled crossing from our works sites across the local highway.

There will also be gates in place to keep local traffic separated from all construction traffic.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
