

Update: W164 & W165x Public Right of Way (PRoW) closures with diversion route

High Speed Two (HS2) is the new high speed railway for Britain

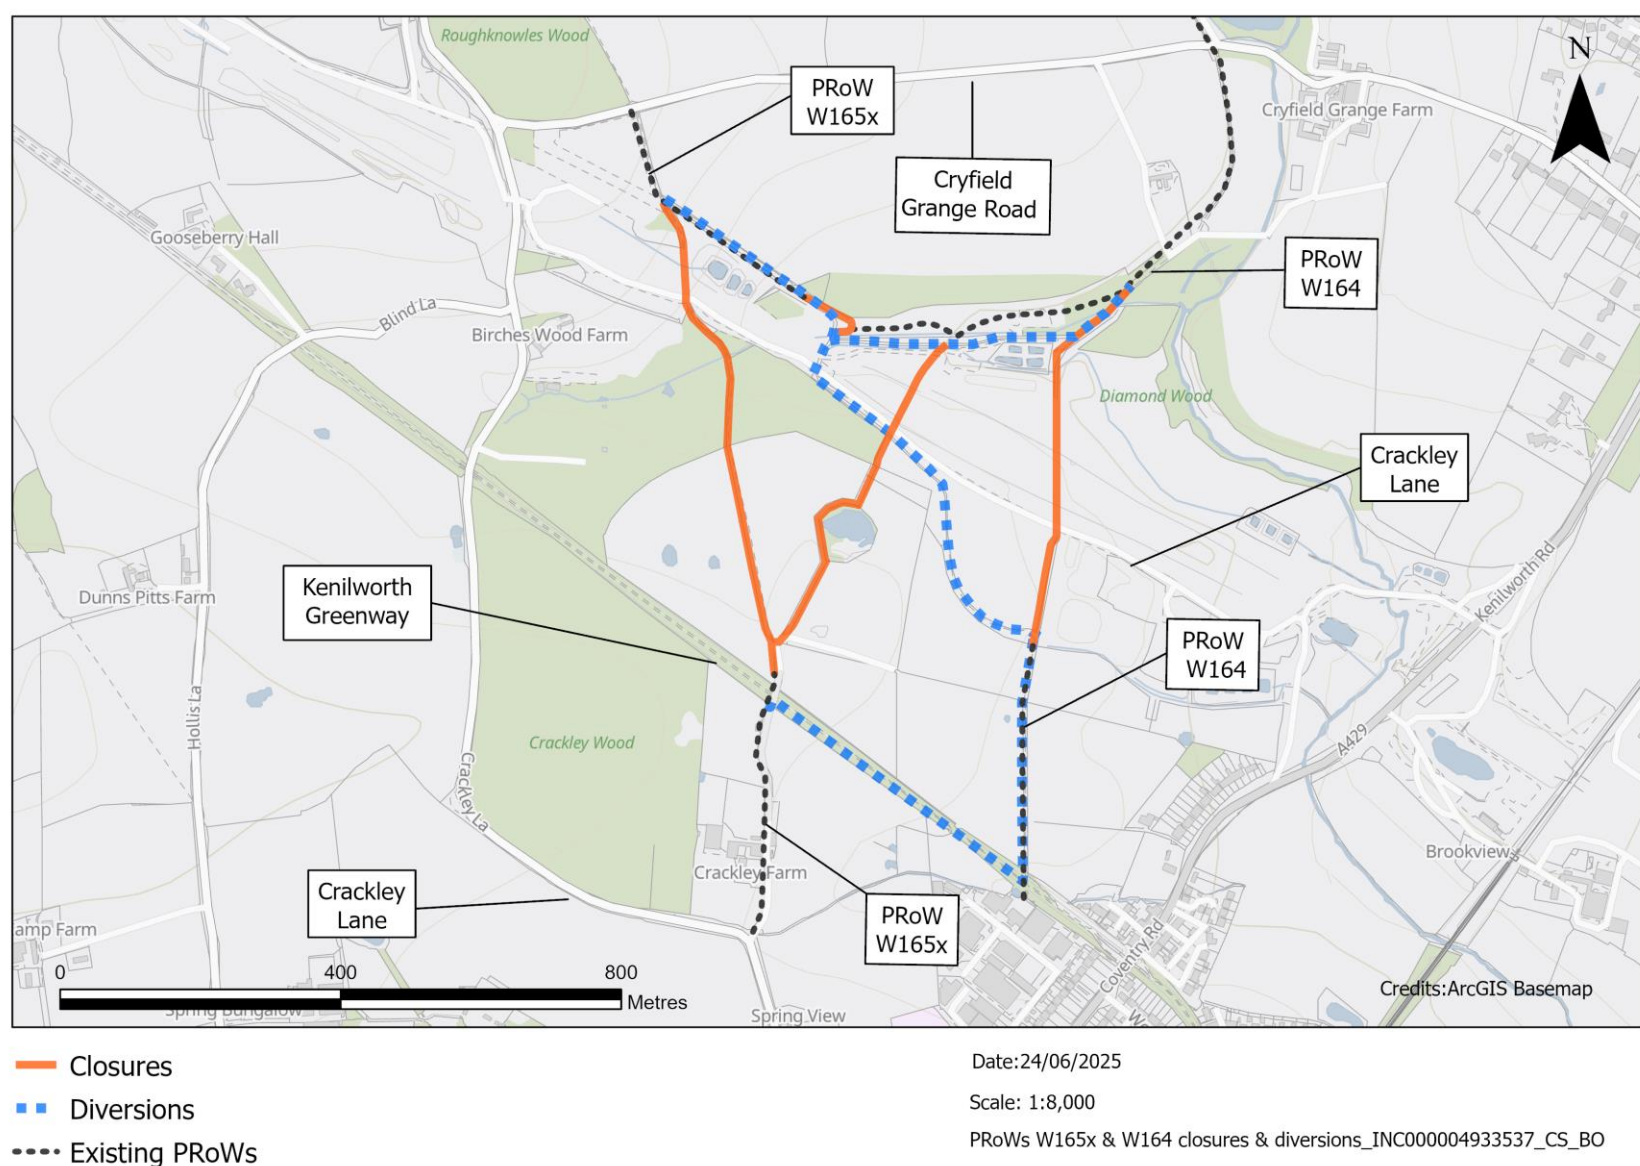

Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway.

As part of the ongoing works, we need a short diversion on the existing **PRoW W164**.

To ensure the safety of the public, while we progress the construction of the railway, **PRoW W165x** is closed and diverted via the **PRoW W164 diversion**.

These closures and diversions will remain in place until the completion of the **W164 Overbridge**, due to open to the public by the **Summer 2026**.

Pedestrians will still be able to safely navigate through the area by using the clearly signposted diverted footpath as illustrated in the map below:

The timeframes for this notification may be subject to change. For the latest information, please refer to www.hs2inwarwickshire.co.uk. We thank you for your patience.
