

Notice of emergency road closure Stoneleigh Road, Stoneleigh

March 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high-speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We will be closing the Stoneleigh Road for emergency works to remove four trees damaged in recent storms. This is to prevent any further damage and fallen trees in the future.

When these works will take place

To allow us to carry out these works safely we will be closing Stoneleigh Road on **Thursday 10 March and Friday 11 March** between **9.30am and 3.30pm**.

Access will be maintained to all properties while these works are being carried out.

Please note, these works coincide with the current 24-hour closure on Stareton Lane, due to end on 11 March.

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
