Notice of weekend works on the Network Rail embankment

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk.

Weekend works on the Network Rail embankment

We will be carrying out cable works on the Network Rail embankment overnight on Sunday 17 April, next to the railway tracks within the Adelaide Road site. Additional works will also be carried out overnight on Saturday 30 April for condition surveys and material deliveries. The deliveries will take place on the Network Rail tracks and will be lifted into site. We will use handheld tools to carry out these works and we will not use any large machinery.

The works will take place during a planned rail possession between 9pm to 5am. This is to ensure we can safely work next the railway tracks when trains are not running.

We will inform our staff to be mindful of our neighbours while they carry out their activities.

Virtual one to one sessions 20 April 2022

On Wednesday 20 April 2022 between 3pm to 6pm, we will be hosting virtual one to ones. You can book a 20-minute session to speak with our Community Engagement team about works at the Adelaide Road site.

The sessions will take place on Microsoft Teams, and you can sign up by visiting hs2.org.uk/events.

The dates for these works may change; we'll provide updates at HS2.org.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
