# Update: ongoing and future works in the Adelaide Road site

April 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk.

### Ongoing sheet piling works

We previously wrote to you advising that we are carrying out sheet piling works within our Adelaide Road site. The works were due to be completed by the end of April 2022. However, the sheet piling works will now be completed by 30 June 2022.

While we continue to carry out sheet piling works within our site, the current temporary lane closure on Adelaide Road will need to remain in place. Our traffic management phases which were outlined in our previous notification have changed and will need to be extended. You can view the new dates and phases on the following page.

Alternatively, you can view our previous notification, including our piling method at [HS2.org.uk/in-you-area-map](http://HS2.org.uk/in-you-area-map)

### How will we minimise disruption?

To help reduce disruption, we will:

- Wash the wheels of vehicles before they exit site
- Use water sprays to minimise dust on-site
- Monitor noise, dust and vibration levels throughout construction and introduce additional mitigations, if needed
- Use noise reducing barriers
- Turn off on-site lighting outside our working hours, with the exception of security lighting
- Keep residents informed about our works

The dates for these works may change, we'll provide updates at [HS2.org.uk](http://HS2.org.uk)

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**

### Duration of works

Ongoing until 30 June 2022, between 8am to 6pm, Monday to Friday, and 8am to 1pm Saturdays if required

We may be on site for an hour before the start and/or end of each shift

### What to expect

Bus stop R (Eton Road Chalk Farm) will continue to be suspended

Large construction machinery in the area during these works

Traffic management will remain in place on Adelaide Road until 30 June 2022

### What we will do

We will continue to monitor noise, dust, and vibration levels

Advise our staff to be mindful of our neighbours

## Phase two – 26 April 2022 to 30 June 2022

We originally had three phases of traffic management to carry out the sheet piling works. We have now reviewed the number of phases and will only have the below phase in place until 3 June 2022.

We will have three-way temporary traffic lights in place on Adelaide Road and the junction of Eton Road. The lane closure will be in place along our site boundary. Bus stop R (Eton Road Chalk Farm) will be suspended. Bus stop P (Primrose Hill Road Adelaide Medical Centre) is the nearest available bus stop for route 31 and N31.

## Upcoming works on Adelaide Road

From summer 2022, we will be carrying out additional utility works on Adelaide Road. These works are needed to ensure we protect utility services while we build HS2. These works include a proposed road closure at the junction of Adelaide Road with Eton Road.

As part of our ongoing commitment to keeping local residents informed, we will be carrying out further engagement about these works over the coming weeks. We will write to residents with further information shortly.

## Speak with our community engagement team

We are holding monthly virtual one to ones where you can speak with our community engagement team. Our next virtual one to one will be on **Wednesday 18 May 2022 between 3pm to 6pm**.

You can book a 20-minute session to speak with our Community Engagement teams about works at the Adelaide Road site at [hs2.org.uk/events](http://hs2.org.uk/events). The sessions will take place on Microsoft Teams.

## Upcoming face-to-face information event

We will be holding a face-to-face information event in mid-May 2022 to talk about our Adelaide Road site and upcoming works this summer. We will provide more information to the community shortly.

## Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
