

Updated notice: A38 overnight lane and slip road closures in Streethay

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We are constructing a bridge to take the A38 near Streethay over the HS2 line. During the parliamentary stages we identified ways to reduce the visual impact of the scheme, we responded to concerns and the design was changed to a cutting. This means the HS2 line will now run under the A38 and existing railway lines, so that it is less visible in your line of sight.

During this phase of work, we are constructing a new access point off the Streethay southbound slip road to allow us to undertake enabling works alongside the South Staffordshire line.

We will start work on Monday 11 April

To carry out this phase of work safely, we will install single lane and overnight carriageway closures on the A38 southbound, inclusive of the slip road at Streethay from 9pm on Monday 11 April 2022 for three weeks.

- **Week one (three nights): Monday 11 to Wednesday 13 April**
- **Week two (four nights): Tuesday 19 to Friday 22 April.**
- **Week three (five nights): Monday 25 to Friday 29 April. The overnight southbound carriageway closure will take place on Monday 25, Tuesday 26, Wednesday 27, Thursday 28 April.**

We will not have any closures during the Easter weekend.

Our working hours during the overnight closures will commence at 9pm each evening and the road will reopen at 5:30am each morning. We may be on site up to an hour before or after our working hours to set up and secure our equipment.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Three weeks of overnight southbound lane, carriageway and slip road closures, subject to weather, site and other conditions.

What to expect

Narrow lanes and 40 mph speed limit.

Single lane on the southbound slip road from Tuesday 12 April.

What we will do

Clearly signpost and explain these changes to road users and pedestrians.

Keep disruption to a minimum.

Keep you updated of changes at:

Notification

Map of diversion route for A38 southbound lane and slip road closure at Streethay

The map below details the overnight A38 southbound lane and slip road closure and diversion route that will be in place from Monday 11 April at 9pm.

This diversion will affect road users travelling in to Streethay and parts of north Lichfield who would usually use the A38 southbound slip road to the A5127. The diversion will take road users to the next exit at Swinfen Island.

Please note: There are strategic signed diversion routes in place to make sure that drivers follow the designated routes. Many other roads in the area are narrow single lanes and not suitable for traffic and in particular larger vehicles and HGVs. Please do not use Sat Navs but instead follow the signed diversion.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
