

Notice of piling and earthworks at Mandeville Road site

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more.

Bored piling and earth works

We recently wrote to you in late March to let you know about our works on site to install sheet piling and to excavate the embankment. Please click on the following link to see the previous notification relating to extended hours at this site.

<https://www.hs2.org.uk/work-items/extended-working-hours-at-mandeville-road-site/>

From 25 April to 31 May 2022, we will be installing 11 bored piles at the higher level of our site, as well as further earthworks of the lower piling platform between 8am to 8pm Monday to Friday and 8am to 6pm on Saturday. To install the bored piles, we will be using a crane, a rotary piling rig and excavator to complete this work. We will be drilling a hole, installing a metal cylindrical cage and filling with concrete.

There may be a need to concrete pour until 9pm to maintain the Integrity of the pile. Where possible we will not use this additional time. Should this be a requirement we will notify you in advance of this.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

25 April to 31 May 2022

Mon to Fri - 8am to 8pm

Tues and Thurs 8pm to 8.30pm for deliveries only

Sat - 8am to 6pm

There may be a need to concrete pour until 9pm to maintain the Integrity of the pile. Where possible we will not use this additional time.

What to expect

We will be using a crane, excavator and piling rig. There will be concrete lorries and tipper trucks accessing site.

What we will do

We will be keeping crane movements and rotary spinning to a minimum to reduce the noise on site.

How these works might affect you

The rotary piling rig will be similar in height to the sheet piling rig previously used on site. Residents may experience some noise when the piling rig rotates to clear debris.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will continually monitor the method of removing the earth from the piling rig to keep the noise to a minimum.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
