Right-hand turn from Hampstead Road site access

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are following Government and Public Health England (PHE) advice on working safely during the pandemic. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. If you have any questions about this, please contact our Helpdesk to find out more.

Right-hand turn from Hampstead Road site gate - May

We will install a right-hand turn out of our Hampstead Road site access gate, to enable vehicles to travel south towards Euston Road immediately after leaving the worksite and reduce the number of construction vehicles using Harrington Square as a turning loop.

We will trial this right-hand turn from May to June.

Starting 3 May, we will install two pre-built traffic islands on Hampstead Road in front of our site entrance and update the road markings to indicate the right-hand turn. We will then install temporary traffic lights. For safety, we will carry out these works at night when there is less traffic on the road. Our working hours will be 5pm to 11pm, from 3 to 6 May. These works will not be noisy and are expected to take about a week to complete. We will also carry out maintenance to the hoarding in this area, as part of these works.

London Underground will also be working in this area to carry out visual surveys. We will need to temporarily remove a section of our hoarding on Hampstead Road to make way for London Underground works. London Underground will work 24 hours, day and night from 3 to 6 May.

We will temporarily close the northbound carriageway from 3 to 8 May. Traffic will be diverted to the southbound carriageway with a lane for northbound and a lane for southbound traffic. We will also temporarily suspend the southbound bus lane and bus stop W. The nearest alternative bus stops are Robert Street stop J and bus stop K near the corner of Netley Street and at Mornington Crescent underground station. We are sorry for the inconvenience.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

Right-hand turn install:
3 to 8 May

Working hours: 5pm to
11pm, 3 to 6 May

Hampstead Road phase
1 utility works: April to
August

Working hours: 24
hours, Monday to
Sunday

What to expect

Extended hour works
on Hampstead Road

Traffic management on
Hampstead Road with
single lane for
northbound and single
lane for southbound
traffic

Hampstead Road bus
stop W temporarily
suspended

What we will do

Coordinate with other
contractors to reduce
impact where possible

Provide updates at
HS2inCamden.co.uk

Update: Phase 1 Hampstead Road utility diversion - ongoing

We are diverting utilities from the footway to the carriageway on Hampstead Road to make way for works onsite.

From April to August, utility companies will be working onsite and in front of Addison Lee to join and test utility cables. Utility contractors carry out these works overnight and during extended hour weekend works, to reduce the impact on customers. These works will be quiet, and we don't expect residents to notice.

We have closed a section of the footway on Hampstead Road between Granby Terrace and Mornington Crescent to make way for works. This section of the footway will remain closed until summer. A pedestrian walkway and access to the crossing will be maintained. We apologise for the disruption.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
