Vehicles on site from 6am during rail strikes - 20 to 26 June

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

Vehicles arriving on site early from 20 to 26 June

Road traffic is expected to be busier next week from 20 to 26 June due to National Rail industrial action.

For the safety and convenience of other road users, we will start receiving deliveries on site from 6am to reduce the number of construction vehicles on local roads during peak traffic.

Drivers will park onsite and switch off their vehicles until we begin to unload them at our usual start time of 8am. We will take measures to reduce possible noise between 6am and 8am, including limiting movement of vehicles through site, using white noise reversing alarms and switching off vehicles as soon as possible once they arrive.

We are sorry for any disturbance this may cause.

Staff parking in Vehicle Holding Area from 20 to 26 June

From 20 to 26 June, we will use the Vehicle Holding Area at the southern end of London Zoo car park for staff parking. This will be a temporary measure, to enable essential members of team to commute to work during the planned rail strikes. For more information please see our notice 'Traffic to Vehicle Holding Area - 20 to 26 June' (June 2022).

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
