# Notice of survey works on Nanscawen Road, Fradley

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

# The work we will be doing

We are undertaking ground penetrating surveys along Nanscawen Road. The surveys will help us identify the location of buried utility services, such as gas, electric or water. These surveys are non-intrusive, we will use a machine that transmits an electromagnetic pulse into the ground. These pulses reflect off features in the ground, allowing us to collect data and to understand the depth of the buried utility services.

# How we will affect you

For the safety of both our workforce and road users, we will use a Stop and Go sign to manage the flow of traffic. These traffic management measures will be in place from Monday 9 May for five days. Our working hours are from 8am to 6pm. Our workforce can be on site one hour before and after to set up and secure our equipment.
