

Notice of temporary traffic lights on Eccleshall Road, Stone

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty and its appointed subcontractors are working on behalf of HS2 Ltd to carry out Early Environmental works between Lichfield and Crewe.

What we are doing

At Micklow House Farm to the north of Eccleshall Road and the east of the M6, we will be creating ecological mitigation ponds surrounded by grassland and woodland habitat creation. We will use the ecological mitigation ponds to relocate any protected species, such as great crested newts before we need to remove any other habitats.

Before we start to construct the ponds, we will improve the existing access off Eccleshall Road by laying track mats on the entrance to the road. This is so we can safely bring large equipment on to the land to install a temporary bridge over a deep ditch. To do this safely, we will put temporary two-way traffic lights in place along Eccleshall Road.

We will use a lorry-mounted crane to lay the track mats, which will generate some low-level noise. Once we've made the improvements to the existing entrance, we will begin the installation of the temporary bridge. Once the bridge is in place, we will fence off the area where we will construct the ponds. The pond work will be ongoing throughout the rest of the year. We will write to you ahead of starting this work.

When the work take place?

The lights will be in place during the day from 9am to 5pm on Tuesday 3 and Wednesday 4 May.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

**Tuesday 3 and
Wednesday 4 May**

**Between 9am and
5pm**

Daytime working

Please note that the time and date in this notification **may** be subject to change.

What we will do

Carry out the work in compliance with the Code of Construction Practice

Inform you in advance of any changes to the dates and working times shown

What to expect

Some low-level noise

During these times journeys may take longer than usual.

Notification

What to expect

The temporary traffic lights will be located on Ecceshall Road, just to the east of M6. There may be some low-level noise while we carry out this work. Please note that journeys may take longer than usual while the lights are in place. The map below shows where we will be working.

Covid-19

We are working in line with Government and Public Health England (PHE) advice on working safely during the pandemic. For all events and engagement, we will carry out a risk assessment and put in place control measures to manage the risk of Covid-19 to the public and our staff. If you have any questions about this, please contact our Helpdesk at find out more. The health and safety of our workforce and communities we affect is our key priority

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

Two funds are now open for applications from local communities and businesses affected by the construction of HS2. They are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). £5 million has been allocated to the funds for phase 2a of the railway.

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
