

Notice of road closures update, Station Road, Quainton

May 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

In May, we will be carrying out Ground Investigation (GI) works along Station Road.

Our GI works will involve surveys and trial holes. These activities will allow us to accurately identify the location of utilities that will need to be diverted while we build HS2.

As we will be conducting these surveys and trial holes very close to the local highway, we will need to close small sections of Station Road.

To avoid closing all of Station Road and maintain access to local businesses, we will be conducting these works over two separate weekends. Access to local businesses and the Buckinghamshire Railway Centre will be maintained with a local diversion route signposted.

When will these works take place?

A section of Station Road will be closed for Ground Investigation works on the following dates:

- Saturday 21 May and Sunday 22 May, 8.00am to 6.00pm
- Saturday 28 May and Sunday 29 May, 8.00am to 6.00pm

In the coming weeks, we will also be carrying out further utility works and surveys along additional sections of Station Road. Once these details have been confirmed we will update communities.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
