

Notice of traffic management – A45 service road

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be completing

From Monday 23 May until Friday 22 July, there will be a series of works on and around the slip road that connects the Coventry Road (A45) with East Way at the Bickenhill recycling centre. This will be to install a temporary power cable to facilitate the building of the new railway, these works will be completed in three phases.

The first phase will be to dig a trench in the area immediately south of the slip road in the carpark used by the company 'Trafix'. It is not envisaged that any traffic management will be needed at this stage but there may be some low-level noise.

The second phase will be a full overnight closure of the slip road between **Monday 6 June and Wednesday 6 July**. The closure will be in place between **Monday and Friday from 9pm to 5am**. East bound traffic wishing to access East Way will be diverted around the Bickenhill Interchange roundabout over Junction 6 of the M42 resulting in a slight increase in journey times.

The final phase of the works will be a single lane closure on the slip road. This will be in place from **Thursday 7 July until Friday 22 July**, weekdays only between **9:30am and 3:30pm**. Traffic will be able to access East Way as normal without being diverted.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
