Notification

Notice of temporary traffic lights on Diddington Lane, Hampton-in-Arden

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are underway in your area, carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons. This notification is an update to one issued in March 2022 and is a continuation of works.

Temporary traffic lights

We will be carrying out some field reinstatement work along the Diddington Lane carriage way. In order to conduct this work safely, we need to temporarily install two way traffic lights along a section of this road. The introduction of the temporary traffic lights will lead to single lane, alternating, road travel movements between north and southbound traffic on the road.

Our work teams will be working in the area from 08:00 am to 6:00 pm each work day. The temporary traffic lights will be deployed **09:30 am to 3:30 pm**. We expect to be on site for up to three days.

Access to properties and businesses will be maintained and you will still be able to travel along Diddington Lane in both directions. Please see the map overleaf for more information.

HS2 and the COVID-19 outbreak

HS2 and the COVID-19 outbreak We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

From Tuesday 3 May to Friday 6 May 2022.

Temporary traffic lights deployed from 09:30 am to 3:30 pm

Team working on site from 08:00 am to 6:00 pm

Please note that all of the times in this notification are subject to change.

What to expect

Two way traffic lights and road signage along Diddington Lane

Single file traffic management

What we will do

Keep all sites safe and secure, while keeping disruption to a minimum.

Ensure all traffic management is clearly signed

Contains ordnance survey ©Crown copyright and database right 2017

Our teams may be on site up to one hour before and after the works to set up and secure the site.

Keeping you informed

About our Community and Business Funds

HS2 offers two funds that are available to local communities and businesses in Birmingham and the West Midlands, to help with any disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit:

www.groundwork.org.uk/hs2funds

HS2's interactive works map

HS2's interactive works map We have introduced a new, user-friendly interactive map to the HS2 website, making it easier and simpler for you to find out what current and upcoming works we are carrying out in your area. The new map brings all of our work notifications together on one webpage, making it easier for you to navigate and ensure you are kept up to date on the work we are doing to deliver the new railway. There is also a text only view, which allows you to view the information in a table and filter results for each area. Each work item, highlighted on the map with a 'hard hat' icon, lets you know: • the location and planned duration of the works • which contractor is delivering it • what kind of activity they are doing, such as setting up a compound or an archaeological dig To access the map, please visit: **www.hs2.org.uk/in-your-area/map**

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
