

Update of utility surveys in your local area

May 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

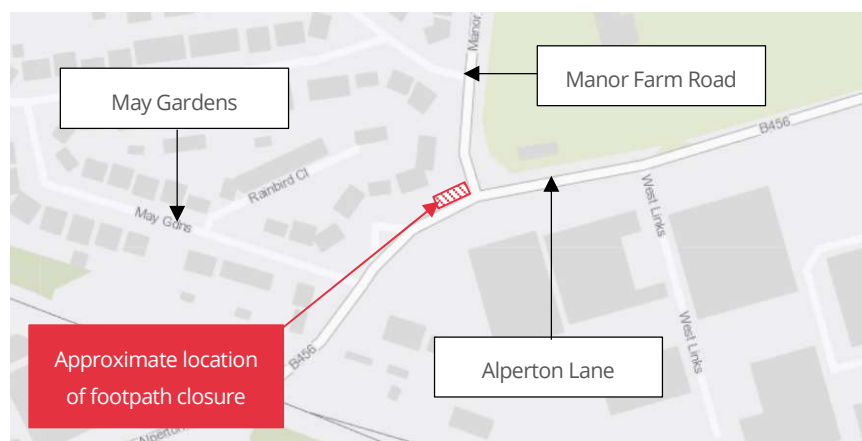

Ground investigation works on Alperton Lane

From 13 to 24 June 2022, we will be carrying additional ground investigation works on Alperton Lane between 8am to 6pm Monday to Friday and 8am to 1pm, Saturdays. The utility surveys will take place on the footpath on Alperton Lane, near the junction with Manor Farm Road.

The ground investigations will consist of digging a temporary trench to confirm the location of utilities under the surface of the footpath. The surveys will help us to understand and aid the design of the new railway and the best ways to protect or divert any utilities during construction.

You may hear additional noise during these works. We will use noise reducing barriers, where possible.

You can view a map showing the location of these works below.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Ground investigation works on May Gardens

We recently had a temporary road closure in place at the junction of May Gardens and Alperton Lane to carry out ground investigation works.

From 6 to 17 June 2022, we will be carrying additional ground investigation works on May Gardens between 8am to 6pm Monday to Friday and 8am to 1pm, Saturdays. The ground investigations will consist of digging a temporary trench to confirm the location of utilities under the surface of the road.

A temporary road closure will be in place at the junction of May Gardens and Lily Gardens. A signed diversion route will be in place for local road users via Alperton Lane, Manor Farm Road, Pleasant Way, Lily Gardens and May Gardens.

You can view the location of these works on the map below:

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
