

Update: Installation of artwork on Atlas Road site hoarding

May 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority.

Artwork installation on the Atlas Road site embankment hoarding on Victoria Road

We are preparing to install ivy artwork on the hoardings of our Atlas Road site opposite Midland Terrace during June 2022. The artwork installation will be carried out Monday to Friday between the hours of 8am to 6pm. A map showing the location of these works can be viewed on the following page.

What to expect

In preparation for these works, during the week of 6 June 2022, we will be trimming the vegetation in the embankment area to ensure that the space is safe for the workers to carry out the installation. This will also make sure we can maintain public footway access by avoiding overgrown sections through the fence on Victoria Road.

Installation of the artwork will be carried out by a small group of operatives within the embankment area using handheld power tools and working platforms to secure the art panels into place. These works should not cause any disruption to the local community.

We will continue to monitor our working methods throughout these works to ensure they are carried out safely and with minimal disruption to the local community.

Dated mentioned in this notification may change, we will provide updates at <https://www.hs2.org.uk/in-your-area/map/>

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
