

Notice of works A446 / Lichfield Road

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We will be starting work to create a haul road to facilitate the building of the Northwood embankment feature of the new railway. These works will take several years to complete and require the closure of the southbound layby on A446 / Lichfield Road and the removal of roadside vegetation. We will also on occasions be required to close a single lane on the southbound carriageway.

When these works will take place

These works and the closure of the layby will be in place from 6 June 2022 until 2025. There are laybys situated further down the A446 and A4097 if required. Upon completion of HS2 this layby will be reopened.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

These works will take place from 6 June until 2025.

Our workforce may be on site one hour before and after to set up and take down our work equipment.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
