

## Notice of overnight road closures, B4451 and A423, Southam

May 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at [www.hs2inwarwickshire.co.uk](http://www.hs2inwarwickshire.co.uk).

### What are we doing?

In June we will be carrying out a series of topographical surveys on the A423 Banbury Road and the B4451 Kineton Road. Topographical surveys will help us to finalise the design of the new railway and road alignments and where possible allow us to reinstate features after construction.

These surveys are part of our preparatory works for the Banbury Road overbridge and the Kineton Road overbridge. Once completed, these overbridges will allow traffic to pass over the HS2 railway line.

In order to carry out these surveys safely and effectively, we will need to put in place some short duration overnight road closures with signed diversions. This is required because our staff will be working directly on the carriageway.

Access will be maintained for residents as well as emergency services within the closure area. We will also be discussing our closure plans with local business and sports facilities to accommodate any essential access needs.

### When will these works take place?

The B4451 **Kineton Road** will be closed overnight, 9.00pm to 6.00am, from Monday 6 June to Thursday 9 June 2022.

The A423 **Banbury Road** will be closed overnight, 9.00pm to 6.00am, from Monday 13 June to Sunday 19 June 2022.

These dates may be subject to change due to circumstances outside of our control, such as weather.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
