

Notice of temporary traffic lights on A515 & B5014 Lichfield Road, Lichfield

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

We are undertaking surveys

We will be undertaking carriageway coring and surveys on the A515 and B5014 Lichfield Road. These surveys will be both intrusive and non-intrusive and allow us to identify information to inform future designs for our construction activities.

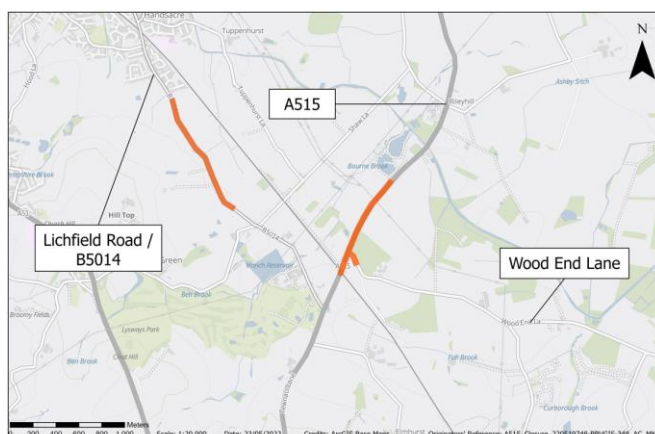

For the safety of both our workforce and road users, we will install a lane closure and rolling temporary traffic lights to manage traffic flow within the locations highlighted on the map below.

When will the work take place

Work will take place from Monday 27 June until Friday 8 July. Our working hours will be between 9:30am and 3:30pm, however our workforce may be on-site up to one hour before and after that time to secure our equipment.
