Notice of overnight road closures on and around the A452, Northway Island and the B4438 in June 2022

May 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons, known as LM.

We're improving the local road network

We are remodelling and improving sections of the existing road network in the area and creating new routes on HS2 land. These road improvements will ensure that when the future HS2 Interchange station is operational, the local road network is fit for purpose. Upon completion, a new T-junction will replace Northway Island. A new 'longabout' is already in operation outside the Holiday Inn Express NEC, on the way to the National Exhibition Centre (NEC).

We started the creation of the new T-junction in April 2021. To enable us to connect parts of the existing road network to the new routes we have created a series of weekend road closures were installed in 2022 on and around Northway Island. We will conclude this programme by installing overnight closures on and around Northway Island, the B4438 and A452 in June 2022.

We'll be installing overnight road closures in June

These closures will operate in three phases:

- We will install a temporary, overnight closure around parts of Northway Island, and along short sections of the B4438 northbound and A452 northbound and southbound **each night from 9pm to 6am from Monday 6 June to Wednesday 8 June** (see map on page 2).
- We will then install temporary, overnight road closure around parts of Northway Island, and along short sections of the B4438 southbound and A452 northbound from **9pm to 6am on the 9 June** (See map on page 3).
- There will also be a temporary, overnight road closure around parts of Northway Island, along short sections of the B4438 southbound, the A452 northbound and Northway from **9pm to 6am on the 10 June** (see map on Page 4)

A signed diversion route will be in place for road users during the overnight closures. If work progresses faster than expected, we will reopen all routes earlier if possible.

Duration of works

From 9pm to 6am each night from Monday 6 June to Friday 10 June.

What to expect

Temporary, overnight road closures on and around Northway Island, the A452, B4438 and Northway.

Our contractors may be on site up to an hour before and after those times to set up and close down the site.

What we will do

Install signed diversion route for road users during overnight closures.

Keep all sites safe and secure.

Leave the area in a tidy state when works are complete.

Maintain access to all buildings and businesses in the area.
