

Notice of utility ground investigation in Bridgwater Road Fields

May 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

You can sign up for regular updates in your local area at hs2inhillingdon.co.uk

What we are doing

We wrote to you in December last year to let you know that we would be carrying out utility surveys on Bridgwater Road. During those works, we found a cast iron pipe not detailed on the local records which needs further investigation to understand its status. These surveys will be carried out from 6 to 10 June 2022.

We will investigate the condition of the gas main pipe within Bridgwater Road fields and carry out a hand dug trial hole to expose the pipe to understand how it connects to the network of utilities. This will help us inform the design for the programme of utility works that are due to start in the summer.

We have put precautionary measure in place and have requested that Cadent Gas who own the asset are present while we undertake this survey.

How these works might affect you

The ground investigation will be adjacent to your properties within Bridgwater Road fields and are non-intrusive. There will be a mobile welfare unit parked closed to the entrance of the fields. The map overleaf shows our works area and where the welfare unit will be positioned.

Your utility service will not be affected.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

6 to 10 June 2022
Monday to Friday
between 8am and 6pm

What to expect

We may be on site for an hour before the start and/or end of each shift

Operatives and surveying equipment will be present and a mobile welfare unit

What we will do

Inform you in advance of any changes to the dates shown

Keep all sites safe and secure

Ensure that all sites are reinstated to the required standard.

Pipework installation between South Ruislip and Yeading Brook

May 2022 | www.hs2.org.uk

What we are doing

We wrote to you in April, to update you on the installation of the pipeline from our site at South Ruislip to Yeading Brook. The link to this notification can be found here: [Yeading Brook pipeline install](#)

We are continuing with these works and from 30 May to 22 July 2022, we will start to install pipework along the railway embankment from Bridgwater Road to Yeading Brook.

This phase of the pipe installation from Bridgwater Road, will involve material and equipment being delivered across the park on temporary matting to protect the ground as the lorry delivers the equipment. The matting will be in place for a week and then reinstalled at the end of the work to help remove the equipment.

A welfare vehicle will be positioned on temporary matting to the north of the rail bridge on Bridgwater Road during this time to reduce the damage to the grass verge.

Work will be carried out during core working hours, Monday to Friday 8am – 6pm and Saturday 8am to 1pm, however there may be periods when installation will be undertaken at night as required by Network Rail.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

From 30 May to 22 July 2022

Monday to Friday
8am – 6pm and
Saturday 8am to 1pm

Overnight working if required due to Network Rail requirements

What we will do

Electrical equipment used where possible for vegetation clearance to reduce noise.

Monitor noise regularly

Contact our new HS2 Helpdesk team

Our new Helpdesk team is based in our Head Office in Birmingham. This is so that we can provide you with the best service possible. Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
