

Notice of road closure and traffic management, Rocky Lane and the A413

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

What are we doing?

As part of our utility works, we are installing electricity cables along Rocky Lane and the A413, London Road. These cables will form part of the utility connections for our conveyor.

To carry out these works, we are working in open trenches along the carriageway. For reasons of safety, this means Rocky Lane will be closed for the duration of these works and a section of the A413 London Road, will also have a temporary lane closure.

We will maintain access for local residents and do not anticipate any disruption to local utility services.

When will these works take place?

- **Rocky Lane** will be fully closed, 24 hours a day until Friday 10 June 2022, with a signed diversion in place. To reduce disruption as much as possible, the Lane will be reopened for Saturday 11 June and Sunday 12 June 2022.
- **Rocky Lane** will then be closed between 8am and 6pm, Monday 13 June to Saturday 18 June 2022, with a signed diversion in place.
- **A413 London Road** - Temporary traffic management, in the form of a lane closure with two-way traffic lights, will continue to Saturday 18 June 2022. These lights will be operational between 9am and 3pm. To reduce disruption as much as possible, the traffic management will be removed for Saturday 11 June and Sunday 12 June 2022.

Should there be any delays to our works for reasons beyond our control, these dates may be subject to change.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434
