

Notice of utility surveys on Greenford Road

May 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

You can sign up for regular updates in your local area at www.hs2inbrentand dealing.co.uk

What we are doing

Ahead of tunnelling later this year, we will be conducting utility surveys on Greenford Road at the Rockware Avenue junction from 6 to 28 June 2022.

The works will consist of digging trial holes, ground penetrating radar (GPR) surveys and investigating the condition of the gas main on Greenford Road, in the areas shown on the map overleaf.

The surveys will provide us with information on the condition of the utilities before tunnelling starts.

The surveys will be conducted in three phases with a combination of daytime and night-time working.

How these works might affect you

Due to the location of the utility surveys below the road, temporary traffic management will be in place. This is to ensure that the surveys can be conducted safely. We will install and remove the temporary traffic management at the start and end of each night shift.

There will be intermittent noise whilst the road surface is being broken. Your utility services will not be affected.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are conducted in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Phase 1: 6 to 10 June between 8am and 6pm

Phase 2: 13 to 17 June overnight between 8pm and 5am

Phase 3: 20 to 24 June between 8 am and 5pm

Phase 4: 27 to 28 June between 8pm and 5am

We may be on site for an hour before and/or end of each shift

What to expect

Temporary traffic management

Operatives and surveying equipment (including a CCTV camera) will be present, as well as a water tanker should we need to clear a blockage

What we will do

Keep all sites safe and secure

Ensure that all sites are reinstated to required standard

Provide updates at www.hs2inbrentand dealing.co.uk

Notice of utility surveys on Greenford Road

Notification

www.hs2.org.uk

Location of utility works

Phase of works

- Phase 1: from 6 – 10 June, trial hole & gas main CCTV Survey between 8am and 5pm.
- Phase 2: from 13 – 17 June, GPR and drainage surveys at yellow junction box overnight between 8pm and 5am. The traffic management will be installed and removed at the start and end of each night shift.
- Phase 3: from 20 – 24 June, trial Hole & Gas Main CCTV Survey under bridge between 8am and 5pm.
- Phase 4: from 27 – 28 June, laser scanning survey works under the bridge overnight between 8pm to 5am.

Notice of utility surveys on Lyon Way

Notification

www.hs2.org.uk

Surveys planned on Lyon Way

From 14 to 18 June, we will be conducting drainage surveys on Lyon Way. The surveys will take place overnight between 9pm and 6am.

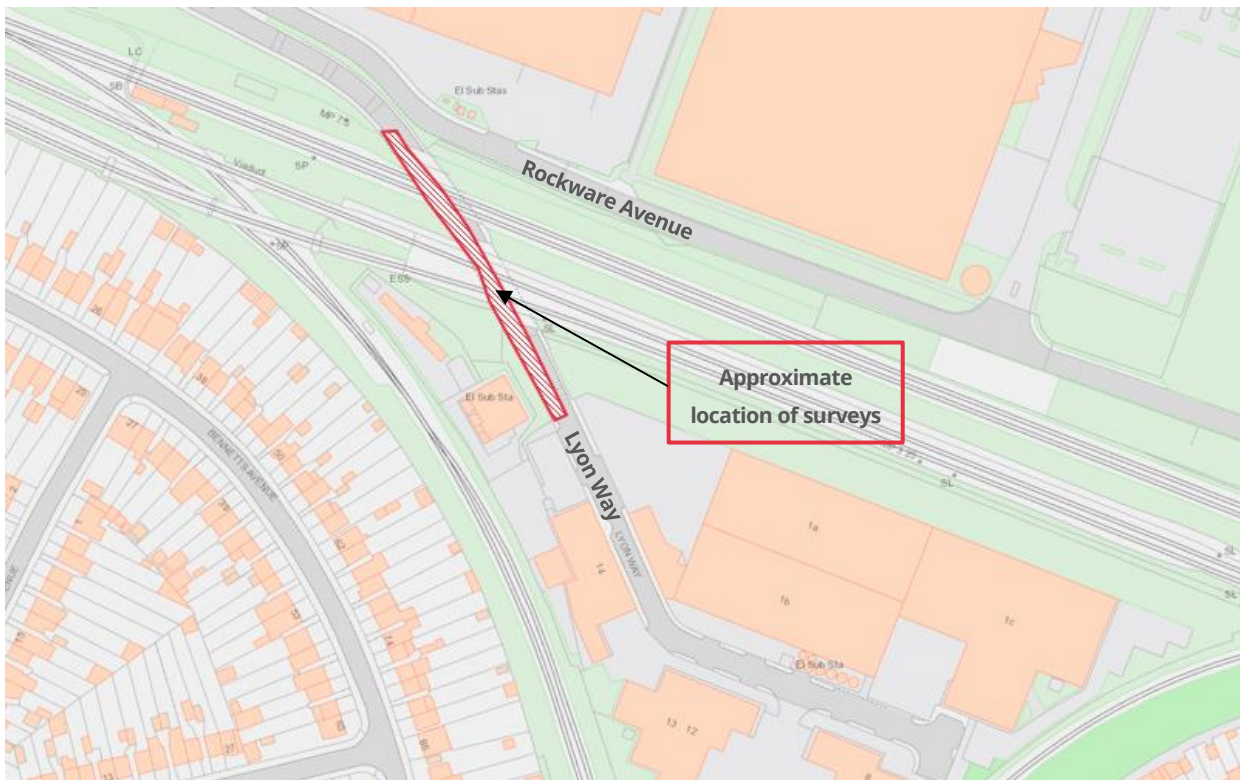

These surveys will help us to understand the condition of the drainage system in the area and how best to protect them during the construction of the railway. We will investigate the condition of the sewer system using a camera and may need to flush the system if any blockages are found.

Your utility surveys will not be affected during these works.

We will also be carrying out laser scanning surveys of the bridge on Lyon Way. The survey is non-intrusive and is scheduled to take place from 29 June to 1 July 2022, between 8am to 5am. There will be a lane closure on Lyon Way in order to fully scan the width and length of the bridge.

How these works might affect you

Due to the location of the drainage system under the road surface, a temporary lane closure will be in place on Lyon Way to ensure that the surveys can be conducted safely. You can view the location of these works on the map below.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
