

Notice of footpath closure and diversion, Turweston

April 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk.

What are we doing?

As our part of our continued preparatory works, we will be temporarily closing and diverting a Public Right of Way (PRoW) between Turweston and Whitfield.

Soon we will begin excavating and moving earth with large plant and machinery in preparation for the construction of the Turweston embankment. These works will cross the PRoW known as T UW/7/1.

For the safety of pedestrians and our staff, we must fully close the footpath for the duration of our works. Signage on the footpath will indicate the closure and there will be a local diversion in place.

When will these works take place?

Footpath T UW/7/1 will be closed, 24 hours a day, from the week commencing Monday 6 June 2022, for approximately four years.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
