Notice of sewer protection works in Blenheim Crescent

May 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

What we are doing

Ahead of tunnelling later this year, we will be carrying out sewer protection works on Blenheim Crescent from 13 June to 16 July 2022. On two occasions we will be working between the hours of 7am and 10pm on Saturday 2 and 16 July 2022. We will be working on a sewer under the Chiltern mainline and Central Line of the London Underground.

The main sewer protection works consist of relining the foul and surface sewer network in Blenheim Crescent and replacing and reinstating maintenance covers. We will be using water tankers during the works, should we need to flush the sewer system.

Some vegetation will be cleared to allow for clear access to our working areas.

You may hear additional noise during these works. We will use noise reducing barriers as well as other methods to assist with mitigation. We will set up a site compound at the end of the garages behind Blenheim Crescent. We will install fencing to segregate our work area. See map overleaf the location of our works and welfare unit.

Your water supply will not be affected.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

How these works might affect you

During the first phase of works there will be temporary traffic management in place. There will be lane closures with a three-way traffic light and there will be footpath closures on Blenheim Crescent for one week. There will be some small footpath diversions in place, which will be clearly signposted.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk
