

Extending the period of Public Right of Way (PRoW) W192 and Offchurch Greenway closure and diversion

High Speed Two (HS2) is the high-speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

We recently communicated that these works would take place during summer 2025. We now need to extend the works until autumn 2025. To facilitate the construction of the Offchurch Greenway Overbridge and to ensure the safety of users, the Offchurch Greenway and Public Right of Way (PRoW) W192 will need to be diverted and then closed:

PRoW W192 and the Offchurch Greenway closure and diversion - Monday 23 June until Monday 15 September 2025. PRoW W192 will be closed and a clearly signposted diversion will be in place. Please refer to the map below (dotted blue line).

PRoW W192 and the Offchurch Greenway closure - Monday 15 September until Saturday 11 October 2025. PRoW W192 and the Offchurch Greenway will be closed between Fosse Way and Welsh Road. **There is no diversion route during this time.** Please see the map below (solid orange line).

The timeframes in this notification may be subject to change. For the latest information, please refer to www.hs2inwarwickshire.co.uk. If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on **08081 434 434** or email hs2enquiries@hs2.org.uk
