Notice of weekend works at the Westgate site

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at www.hs2.org.uk.

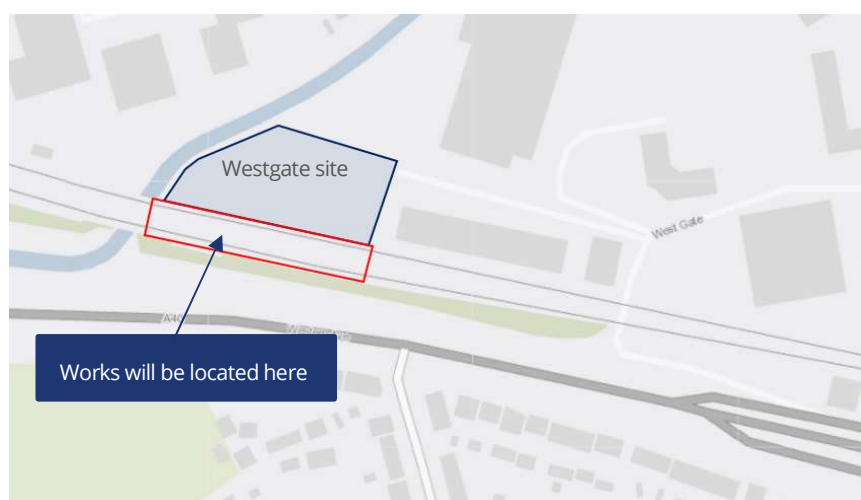

Works on the Network Rail tracks

On Sunday 19 June we will be carrying out works on the railways tracks next to our Westgate site in Hanger Hill. The works will take place during a planned rail possession between 5am to 5pm.

We will be working next to our site to stabilise the railway sleepers while we continue to build the ventilation shaft. To minimise disruption, we will be using handheld equipment.

To find out more information about the works at this site, please visit HS2.org.uk/in-your-area/
