

Notice of urgent works to foul drainage

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

Foul Drainage works

One of the foul drainage pipes at Old Oak Common Station site has become partially blocked and we need to clear this urgently.

The foul drainage network is live during working hours and to clear the blockage we need to do this when the site welfare facilities are shut. Unfortunately, this can only happen after normal construction working hours and will take place on Saturday 25 June from 1pm. We currently expect these works to complete by 4pm.

If this work is not undertaken, there is a chance the foul drainage network could get fully clogged, resulting in a closure of our site until the issue is resolved.

We do not anticipate any impact to the surrounding foul drainage network as the blockage is within our site, please see the map on page 2.

We will use best practicable means to reduce any impact on our site neighbours and noise will be kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Works to take place on Saturday 25 June from 1pm until 4pm.

What to expect

You will see operatives on site working out of hours during the afternoon.

What we will do

We will use best practicable means to minimise any impact to our site neighbours by using noise barriers and minimising the use and movements of machinery.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
