

Notice of overnight works, Great Missenden

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

What are we doing?

As part of our continued preparatory works for the Wendover Dean Viaduct and other structures within the North Chilterns area, we need to adjust the carriageway layout near our Great Missenden compound.

This will include removing a section of the central reservation, and creating a straight, flat pathway through into our works compound for the abnormal load deliveries which are due to commence by the end of the year.

To allow us to do this, we need to fully close Link Road overnight and introduce temporary traffic management on the A413 for approximately 2 weeks. During these works, access will be maintained for facilities and car parks on Link Road from Great Missenden.

When will these works take place?

The A413 will have lane closures with multi-phase traffic lights beginning Monday 4 July to Saturday 16 July 2022, between 8.00pm and 6.00am.

The link road, where it joins the A413, will be fully closed overnight, from Monday 4 July to Saturday 16 July 2022, between 8.00pm and 6.00am.

At all other times, lane 2 will be closed in each direction between Link Road and Frith Hill, this is to protect the central reservation.

We intend to open the road fully over the weekend for all road users. These dates may be subject to change, are dependent on weather conditions, ground conditions and other factors outside of our control.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works will commence

Monday 4 July 2022 to
Saturday 16 July 2022

Normal working hours:

Monday to Thursday

8.00am – 6.00pm

Overnight working hours:

Monday to Thursday

8.00pm – 6.00am

What to expect

Varied activities with both quiet and busier periods.

Temporary lane closures on the A413.

Overnight road closure to construct an entrance to our site along the A413.

Noise from plant and equipment used for the works.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

Notification

www.hs2.org.uk

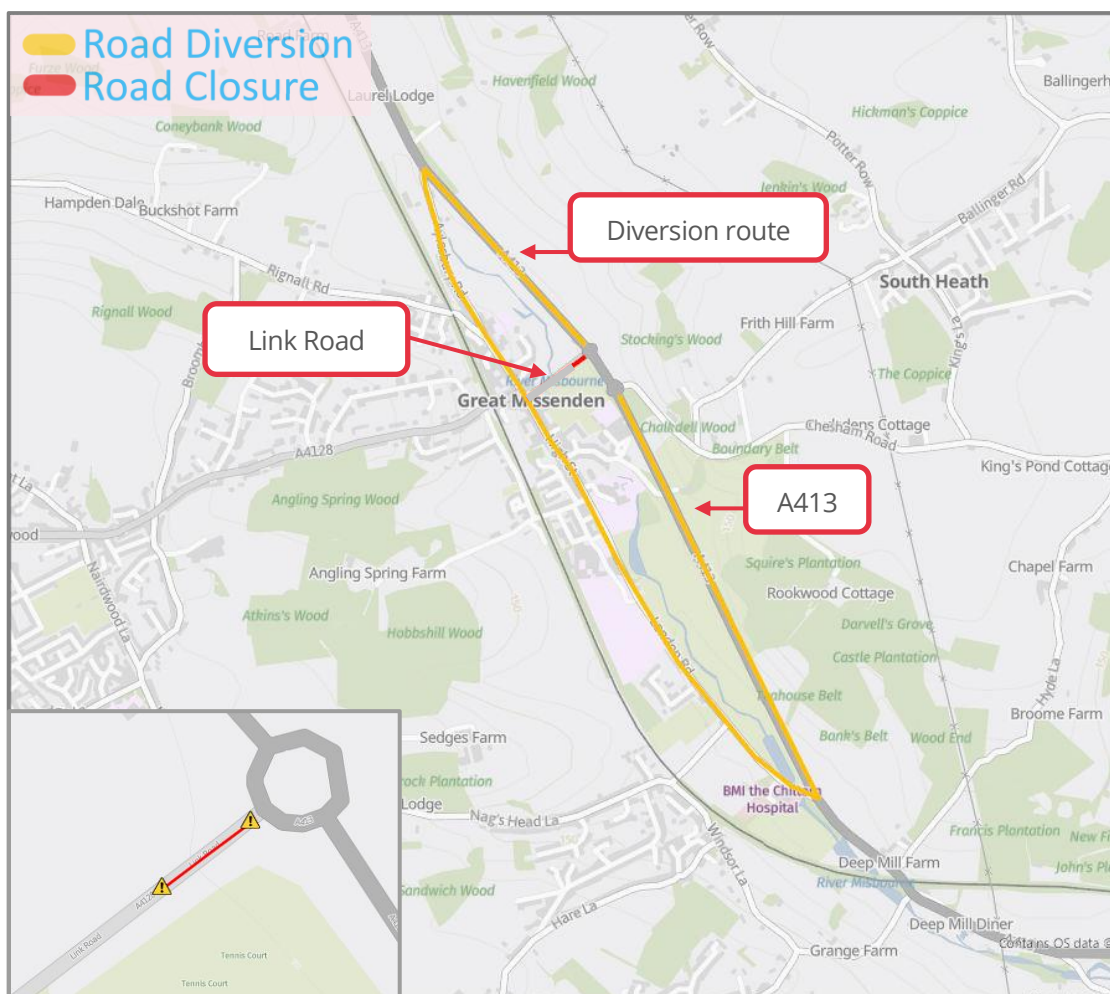

Why do you need to do these works?

In an effort to reduce our impact on the local area as well as the amount of work on site, many aspects of our bridges and viaducts are being created offsite. Throughout 2022 we will be receiving deliveries of these materials to our sites along the A413. Some of these deliveries, such as those of the steel beams for the Wendover Dean Viaduct which will be up to 30m in length, will be classed as abnormal loads. These abnormal loads sometimes require special provisions so that we are able to safely deliver these to our sites.

To prepare for these abnormal loads, we will be constructing a site access point to our compound and carrying out works on the central reservation of the A413, between the two roundabouts at Link Road and Frith Hill.

Where will the works take place?

The map below shows overnight closure of Link Road, where it joins the A4 13, and local diversion via the A413. From Great Missenden, access will be maintained for facilities and car parks on Link Road.

Where will the works take place?

The map below shows area of traffic management with 3-way traffic lights on the A413.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain

Contact Us

Contact our HS2 Helpdesk team all day, every day of the year on:
