

# HS2

## Update: BBVS Section of the conveyor starts operating

High Speed Two (HS2) is the new high speed railway for Britain.

### Conveyor update

Works are continuing for the conveyor system between our sites in the Old Oak and North Acton area to allow for the movement of excavated material between sites. The conveyor system will help reduce the construction traffic on the local roads while we build HS2.

The conveyor structure is being jointly built by HS2's contractors in the area, SCSJV and BBVS.

**BBVS** have tested and dry commissioned their section of the conveyor within the Old Oak Common Station site up to the bridge crossing over Old Oak Common Lane. The remaining BBVS section of the conveyor is being tested and commissioned during the week commencing 19 September 2022.

The BBVS conveyor is planned to be fully operational from 26 September 2022 and will run between 8am and 6pm, Monday to Friday and maintenance will take place on Saturday's between 8am and 1pm.

**SCSJV** will start testing and commissioning for the SCSJV section of the conveyor the week of 19 September 2022 until late October 2022, when the conveyor will be fully operational. SCSJV will start testing and commissioning at our Atlas Road site (location 2 on the map) before moving to our Willesden Euroterminal site (location 1 on the map) and finally our sites on Victoria Road (location 3 & 4 on the map).

These works are not expected to be noisy, however there may be an audible humming noise when the conveyor runs and some other mechanical noises whilst testing is carried out. Noise from the conveyor safety start-up alarm may also be audible for short periods. We will ensure that noise is kept within permitted levels and use best practicable means, to minimise any impact on our site neighbours.

The dates outlined in this notification may change. We will provide updates at [HS2.org.uk](https://www.hs2.org.uk).

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Notification

### Duration of works

Testing of BBVS conveyor is ongoing and is expected to be fully operational from 26 September 2022.

Testing of SCSJV conveyor sections - Monday 19 September to end of October 2022. Expected to be fully operational from 31 October 2022.

Testing and commissioning will take place during our core hours of 8am to 6pm Monday to Friday and 8 am to 1pm on Saturdays.

### What to expect

You may notice some additional noise during the testing and commissioning phases whilst we line up the conveyor belt in the correct position.

There may be an audible humming noise when the conveyor runs, and you may notice noise from the safety start-up alarm for short periods.

### What we will do

Continue to monitor our working methods to keep disruption to a minimum.

Keep you updated at [HS2.org.uk](https://www.hs2.org.uk).

## Speak with your engagement team

You can contact your local engagement team via the HS2 Helpdesk, all day, every day of the year. We will also be available to speak with you at monthly virtual one to one sessions.

The next virtual one to one session will be on Wednesday 28 September between 3pm to 6pm.

To register for the next drop in please visit [www.hs2.org.uk/events/](http://www.hs2.org.uk/events/). If you are not able to attend a virtual 1:1 please contact the Helpdesk so we can arrange another time to speak with you.

We will also be holding pop-ups in the local area where you can come and speak with us in person. More information about these will be sent out to the community in due course.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## Property and compensation

You can find out about HS2 and properties along the route by visiting:

[www.gov.uk/government/collections/hs2-property](http://www.gov.uk/government/collections/hs2-property)

Find out if you can claim compensation at:

[www.gov.uk/claim-compensation-if-affected-by-hs2](http://www.gov.uk/claim-compensation-if-affected-by-hs2)

## Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:

[www.hs2.org.uk/in-your-area/contact-us/how-to-complain/](http://www.hs2.org.uk/in-your-area/contact-us/how-to-complain/)

## Contact us

Contact our HS2 Helpdesk team all day, every day of the year on:
