

# Notice of traffic management, Risborough Road, A4010

June 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. All sites will remain under constant review. You can sign up for regular updates in your local area at [www.hs2inbucksandox.co.uk](http://www.hs2inbucksandox.co.uk).

## What are we doing?

This summer we will be carrying out Ground Investigation (GI) works along Risborough Road, A4010.

Our GI works will involve surveys and trial holes. These activities will allow us to accurately identify the location of utilities that will need to be diverted while we build HS2.

As we will be conducting these surveys and trial holes very close to the local highway, we will need to introduce traffic management in the form of a lane closure with temporary traffic lights.

## When will these works take place?

A section of Risborough Road, A4010, will have traffic management for Ground Investigation works, between 9.00am and 3.00pm, from Monday 27 June to Friday 15 July 2022.

Works are expected to take place Monday to Friday with traffic management removed for the weekends.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

Works will take place Monday 27 June for three weeks.

Normal working hours:

Monday to Friday

8.00am – 6.00pm

Saturdays

8.00am – 1.00pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

## What to expect

Temporary traffic management on Risborough Road.

Varied activities with both quiet and busier periods.

Noise from plant and equipment used for the works.

## What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.
