

Notice of road closure and large crane deliveries at Old Oak Common

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

Temporary road closure and delivery of two large cranes

On Saturday 18 June 2022 two large cranes will be delivered to site via Wormwood Scrubs. There will be a road closure on Old Oak Common Lane between 9.00am and 1.00pm. Please see the map on the next page.

The road closure is needed as the cranes have to be taken off of the lorry so it can pass under the low bridge. It will then be put back onto the lorry after it has past under the bridge before being delivered onto site.

Due to the weight restrictions on the bridge on Old Oak Common Lane, which joins onto Victoria Road/Atlas Road roundabout, the cranes cannot be brought onto site from this direction. The weekend delivery date has been chosen with the local authority and TfL due to lower volume of traffic.

The buses will not be passing through this section of Old Oak Common Lane, however pedestrian access will be available. This is not a noisy activity, but plywood will be laid on the road surface to minimise any noise of the cranes coming off the lorry and along the road before being loaded back onto the lorry for delivery onto site.

We will continually monitor noise and dust levels throughout the works. To manage potential dust, we will be washing the wheels of the lorries before they leave site, using dust suppressants and acoustic blankets for any potential noise.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
