Old Oak Common HS2 Enabling Works
July - December 2022

Area Reference: MLN1 2m45ch – 3m78ch

Dear neighbour,

Work to prepare for the new Old Oak Common Station - July 2022 – December 2022

Over the coming months, we're continuing to prepare for High Speed 2 (HS2) railway. This is an update about our work in your area. We are sorry if our work disturbs you, it will be noisy at times and we'll at times be using bright lights, but we'll make every effort to keep disruption to a minimum.

In preparation for the new interchange station, we need to undertake work to change the existing layout of the track to make way for the new track.

PLEASE NOTE: Please see the map below showing the location of our work.
