

Notice of Traffic Management on A452/A446

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

To assist with the construction of the new railway we need to remove the grass verge between the dual carriageway (A452) and the slip road leading to Melbicks garden centre. To carry out this work safely we need to install traffic management between 9pm and 5am over four nights. The traffic management will be removed by 5am ready for rush hour.

When these works will take place

On **Monday 13 June** between **9pm** and **5am** we will close the outside lane of both the Northbound and Southbound carriageway of the A452.

On **Tuesday 14 June, Wednesday 15 June and Thursday 16 June** between 9pm and 5am there will be a **full closure** of the Southbound carriageway of the A452 between the Northway Roundabout (Birmingham Business Park Island) and the A446.

Our workforce may be on site one hour before and one hour after to set up and secure our equipment.

A full diversion will be in place during the closure directing traffic wishing to travel south, down the A452 back up Junction 4 and via the A446. (Please see the Map on the next page).

We will keep you updated through www.hs2insolihull.co.uk
