

Updated notice of works on West Coast Mainline and nearby areas in Streethay

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

West Coast Main Line overnight closures

We are working with Network Rail to plan and deliver works on the bridge that will carry the West Coast Mainline at Streethay, over the new HS2 line.

This will require overnight closures of the West Coast Main Line between July to September 2022 to carry out assessments, surveys, and the delivery of new rails.

We will complete our work using hand tools, survey equipment, an engineering train and road rail vehicles.

When the work will take place

These closures will take place overnight on the following dates from 9pm until 9am:

- Saturday 2 July to Sunday 3 July
- Saturday 9 July to Sunday 10 July
- Saturday 16 July to Sunday 17 July
- Saturday 23 July to Sunday 24 July
- Saturday 30 July to Sunday 31 July
- Saturday 6 August to Sunday 7 August
- Saturday 13 August to Sunday 14 August
- Saturday 20 August to Sunday 21 August
- Saturday 27 August to Sunday 28 August
- Saturday 3 September to Sunday 4 September
- Monday 6 September until Wednesday 8 September
- Saturday 10 September to Sunday 11 September
- Saturday 17 September to Sunday 18 September
- Saturday 24 September to Sunday 25 September

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

The work we are doing

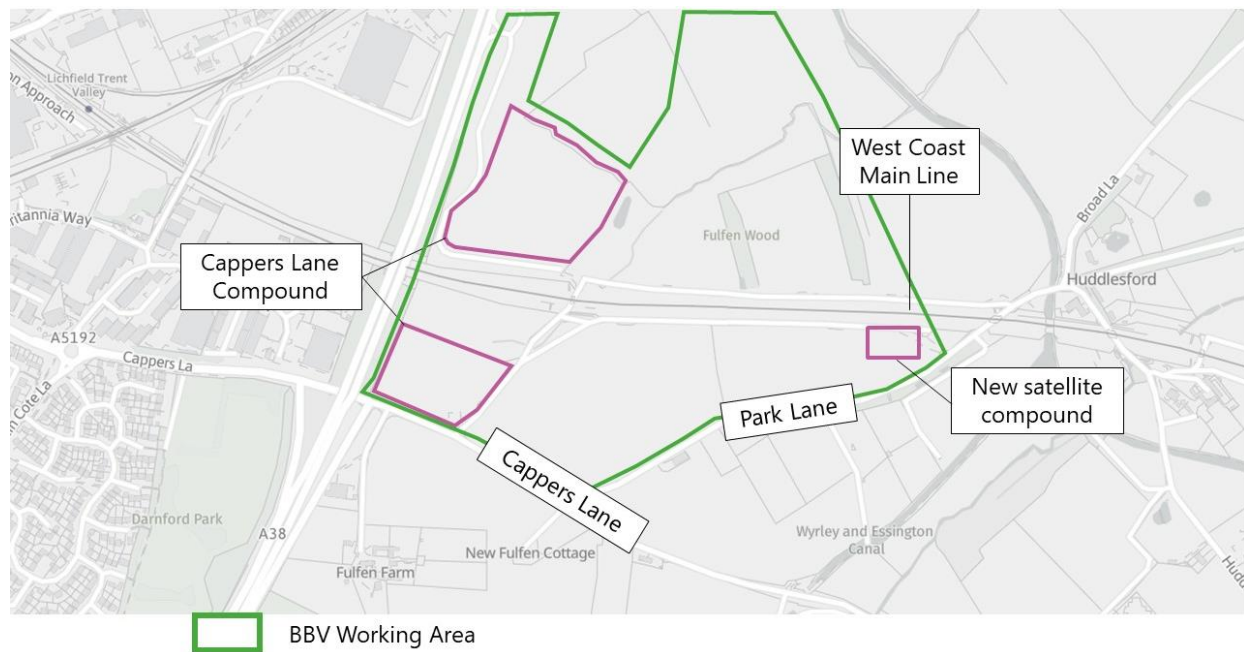

Outside of the above closures, we will continue our existing works, between 8:30am to 6pm Monday to Friday. Our works include vegetation management, construction of haul roads, earthworks and piling, which is the process of installing foundations for future structures.

Other contractors working in the area

During this period there will be other contractors working on behalf of HS2 and Network Rail. The contractors will be relocating the existing overhead gantries to enable future construction activities and setting up a compound area, marked on the map below. A gantry is a bridge-like overhead structure spanning the railway track, which provides the electrical connections for the trains. This process will require lighting on site and may cause some noise disruption.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
