

Notice of utility surveys in your local area

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work in is our priority. Please contact the Helpdesk if you have any questions relating to our response to the Covid-19 pandemic.

Works planned on Lower Park, Park Royal Road

From 8 to 15 August 2022, we will be carrying out a series of ground investigations at Lower Park, Park Royal Road.

The ground investigations will consist of digging a temporary trench to confirm the location of utilities under the surface of the road. The investigations will help us to understand and aid the design of the new railway and the best ways to protect or divert any utilities during construction. Your utility services will not be affected during these works.

The ground investigations will take place between 8am to 6pm Monday to Friday and 8am to 1pm Saturday and Sunday, if required. We will use noise reducing barriers where possible to help minimise disruption to the local community, working as efficiently as possible whilst keeping our work areas safe and tidy.

How this might affect you

You may hear additional noise during this time, we will have noise barriers in place to minimise disruption to the local community. Your utility services will not be affected.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
