Notice of overnight road closures, Risborough Road, A4010

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

What are we doing?

In early August we will be carrying out a series of topographical surveys on Risborough Road. Topographical surveys will help us to finalise the design of the new railway and road alignments and where possible allow us to reinstate features after construction.

These surveys are part of our preparatory works for the Stoke Mandeville Relief Road, Risborough Road Underpass, local highway drainage as well as further temporary works in the area.

In order to carry out these surveys safely and effectively, we will need to put in place some short duration road closures with signed diversions. This is required because our staff will be working directly on the carriageway.

Access will be maintained for residents as well as emergency services within the closure area.

When will these works take place?

Risborough Road will be closed overnight, 8.00pm to 6.00am, from Monday 8 August to Thursday 11 August 2022 with signed diversion route in place.

These dates may be subject to change due to circumstances outside of our control, such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
