

Adelaide Road and Eton Road closure – Summer 2022

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What works are we doing on Adelaide Road?

Our contractor Skanska Costain STRABAG Joint Venture (SCSJV) will carry out utility works to protect the main sewer in Adelaide Road. The works will involve the installation of a sewer liner to strengthen the existing sewer pipe. Once the works are complete, the sewer pipe will be protected while we build the HS2 tunnels in the London Borough of Camden.

How will we carry out these works?

We will install a temporary access point to the sewer on Eton Road and will construct a permanent manhole on Adelaide Road. We will do this by digging into the ground to create a trench which will be at the depth of the main sewer pipe underneath Adelaide Road. Once complete, we will carry out the installation of a liner inside the sewer.

What might you see?

During the sewer lining works, you will see an increase in construction vehicles on Adelaide Road and Eton Road, including a vacuum excavator, 360 degree excavator and material loading lorries. All plant will be located within the temporary traffic management and will use the agreed lorry routes confirmed by Camden Council.

What might you hear?

You may hear breaking concrete and tarmac, and a vacuum excavator. Noise reducing barriers will be in place where possible.

How might these works affect you?

We will have two traffic management phases in place during these works. Please see below:

Phase one: from **25 July until 19 August 2022** a road closure will be in place on the junction of Eton Road with Adelaide Road.

Eton Road may also be closed on 20 August.

Phase two: from **22 to 26 August 2022** a road closure will be in place on Eton Road.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434

How can you travel through the area?

The following temporary changes will be in place during the temporary road closure.

Travelling by bus

Eton Road (Stop R), Chalk Farm (Stop CB) and Chalk Farm (Stop CA) will be closed for the duration of our works. The nearest bus stops for bus routes 31, N28 and N31 are Finchley Road South Hampstead (Stop K) and The Roundhouse (Stop CF).

Travelling by car

To help us maintain traffic flow on the road network, we have agreed a diversion route with Camden Council and Transport for London.

Vehicles travelling towards Adelaide Road from Swiss Cottage will be diverted north on Fitzjohn's Avenue and Heath Street (B511) and then south on Haverstock Hill (A502) towards Chalk Farm.

Vehicles travelling towards Adelaide Road from Chalk Farm will be diverted north on Haverstock Hill (A502) and then south on Heath Street and Fitzjohn's Avenue (B511) towards Swiss Cottage.

Travelling by bicycle

Cyclists will be diverted towards King Henry's Road. We have agreed this diversion route with Camden Council.

Travelling by foot

Pedestrians will be diverted up Eton Road and will be able to walk around the road closure. A clearly signed diversion route will be available.

Private taxis

Due to the temporary closure of Adelaide Road, between 25 July to 19 August, SCSJV will make available the use of private taxis where the use of revised bus services is not possible. SCSJV will assist community members and meet the costs of reasonable planned taxi journeys up to two miles.

To book a taxi, residents should contact communities@scsrailways.co.uk between our working hours (8am - 6pm Monday - Friday & 8am - 1pm Saturday) with a minimum of 48-hour notice and the following information provided:

- Name:
- Contact telephone:
- Preferred collection date and time (subject to availability):
- Pick-up address:
- Drop-off address:

If you have any special requirements, please include and we will try to assist.

How will we minimise disruption?

To help reduce disruption, we will:

- Wash the wheels of vehicles before they exit site
- Use water sprays to minimise dust on site
- Monitor noise, dust and vibration levels throughout construction and introduce additional mitigations if needed
- Use noise reducing barriers
- Turn off on-site lighting outside our working hours, with the exception of security lighting
- Keep residents informed about our works

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that this work is carried in the least impactful way, with various methods being utilised to ensure that disruption is kept to a minimum.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
