

Notice of extended working hours for a concrete pour at Old Oak Common

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

Extended working hours for concrete pour

On 5 August, we will be completing a single concrete pour so that we can construct the propping beams and slabs in the West Box. The beams will give the underground station box overall structural support and the slabs will form the roof of the station box, both integral parts of the design. Please see the map overleaf for the location of these works.

For safety reasons a concrete pour must be completed in one session. If stopped for any length of time and then restarted, a cold joint can occur within the concrete causing the column to weaken. This is not achievable within the current working hours and therefore requires longer working hours to complete the pour successfully. On the day of the concrete pour, working hours will be between 8:00am – 8:00pm. The pour will also require additional supporting vehicles to be on site.

Noise and dust

This activity is not noisy, and we do not expect it to disturb the community. However, additional acoustic blankets will be placed around the activity. Vehicles and personnel will enter and exit site quietly to avoid unnecessary noise around the local area. We will continually monitor noise and dust levels throughout the works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

On 5 August, the specific day of the concrete pour, our working hours will be between 8am and 8pm, however all other works will take place in normal working hours, Monday - Friday 8am - 6pm and Saturday 8am - 1pm.

What to expect

An increase in construction traffic on Old Oak Common Lane site entrance during this week.

What we will do

We will use best practicable means to minimise any disruption by increasing the number of traffic marshals at the Old Oak Common entrance. We will also be monitoring all noise and dust levels.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
