

Notice of traffic management, North Calvert Area

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk.

What are we doing?

As part of our continued utilities work, we will be diverting a gas main along Gawcott Road.

These utility works are part of our early works for the construction of the permanent realignment of Gawcott Road as well as the temporary diversion that will be in place known as the Link Road. Construction on the temporary diversion of Gawcott Road is expected to begin in September 2022 and will continue into 2023.

For reasons of safety, these works will require traffic management in the form of traffic lights because we will be working along the verges and in close proximity to the carriageway. Access will be maintained for residents and businesses.

We will also be carrying out Topographical Surveys in the area of Portway Road. These surveys are part of our early works to survey the highway drainage. These surveys will require short term off-peak traffic management in the form of traffic lights.

When will these works take place?

A section of Gawcott Road will have traffic management in the form of two-way traffic lights from Saturday 13 August to Sunday 11 September 2022.

- During the week, Monday to Thursday, traffic management will be overnight between 8.00pm and 6.00am.
- During the weekends, traffic management will be active 24/7 from 8.00pm Friday to 6.00am Monday.

Portway Road will have temporary traffic management for two days in the form of traffic lights for Topographical Surveys on Monday 15 August and 16 August 2022.

Should our works be delayed for reasons outside of our control, such as weather, these dates may be subject to change.

Duration of works

Works will commence on Gawcott Road from Saturday 13 August 2022 for approximately 4 weeks.

Portway Road from Monday 15 August and 16 August 2022.

Normal working hours:

Monday to Friday

8.00am – 6.00pm

Saturdays

8.00am – 1.00pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Overnight traffic lights on Gawcott Road, Monday-Thursday.

Full 24/7 traffic lights on Gawcott Road, Friday night to Monday morning.

Traffic lights on Portway Road for two days for Topographical Surveys.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
